Going Forward

What is Dystonia?

Dystonia is a movement disorder that causes the muscles to contract and spasm involuntarily.

Who is the DMRF Canada?

The Dystonia Medical Research Foundation (DMRF) Canada is a registered non-profit Canadian charity supporting individuals who are affected by dystonia. Our mission is to advance research for more treatments and ultimately a cure as well as promoting awareness and education of the condition.

If you or someone you love has been diagnosed with dystonia, contact us: info@dystoniacanada.org or 1-800-361-8061.
