

HOW TO USE ZOOM

To join a Zoom meeting, you can choose any of the below ways:

Computer – By clicking the link or by downloading the software

Tablet or Smartphone – Downloading the software

Phone – Dial the number

How to join a meeting from the computer without downloading software:

You can join a meeting without downloading the software. A meeting link will be shared by email. After you click on the link, the join from your browser link will appear. Zoom software will first prompt you to download ZOOM, but provides a link to join from your browser.

Please click **Open Zoom Meetings** if you see the system dialog.

If nothing prompts from browser, [click here](#) to launch the meeting, or [download & run Zoom](#).

If you cannot download or run the application, [start from your browser](#).
