

DYSTONIA SUPPORT NETWORK

in-person and on-line meetings and resources

email: supportgroupalberta@dystoniacanada.org

webpage: <https://dystoniacanada.org/calgary>

The Dystonia Medical Research Foundation of Alberta (DMRFA) is a registered charity, operated by volunteers affected by dystonia to provide a space for individuals to share experiences, find support, and access resources.

Although our group is open to all, we limit our in-person meetings and events to Red Deer, Calgary, and Lethbridge.

Dystonia is a movement disorder with both motor and non-motor symptoms. There are many types of dystonia which are classified in specific ways to help guide diagnosis and treatment. Dystonia can occur in people of all ages.
